MASTER DOCKET NO. C10-414MJP
ORDER ON STIPULATION RE:
EXTENSION OF DEADLINES

15
16 The Court, having received and reviewed the Stipulated Motion and [Proposed] Order for
17 Extension of Deadlines (Dkt. No. 94), enters the following ruling:

18 IT IS ORDERED that the motion is DENIED.

19 The Court notes that there are no deadlines which require adjustment between now and
20 the settlement conference date of October 26. Negotiation schedules do not trump trial
21 schedules; rather, the opposite is true. Case schedules are established with the understanding that
22 counsel will always keep costs in mind and may decide to negotiate at any time.
23
24

1 The Court must set hundreds of schedules and accommodate hundreds of litigants. Once
2 a date for trial has been selected, it is only moved for good cause. Failing to negotiate prior to
3 making the expenditures necessary for discovery is not good cause.

4
5 The clerk is ordered to provide copies of this order to all counsel.

6 Dated this _6th_ day of October, 2011.
